

KEEP IT PUSHING

My name is Gilbert J. I am an American blog writer from Los Angeles, California. Born with Spina Bifida, I've always wanted to use my life challenges to help and inspire others who have shared similar experiences.

Everything I have been through and all the personal knowledge I've gained, I can share with others. My motivation in launching this blog is that it'll make the process a little easier for the next person. By highlighting adaptable products and available resources, **Keep It Pushing** e-newsletter is your virtual buddy for quality information.

September Awareness Spotlight: Nathaniel's Hope

Nathaniel's Hope is a respite and resource organization founded by Tim and Marie Kuck in 2002. The inspiration for this initiative came from their son, Nathaniel, who was born with numerous physical challenges. After a prolonged hospital stay following his birth, Tim and Marie were able to move Nathaniel to a smaller hospital facility. There, a nurse offered to pray for Nathaniel and the family. Being of strong faith, Tim and Marie welcomed the prayer, which was unexpected and unorthodox, asking that Nathaniel's purpose be fulfilled. Sadly, Nathaniel, as his parents lovingly say, "relocated to Heaven." Since that moment, Tim and Marie have been dedicated to ensuring their son's purpose is fulfilled by providing respite support and aid to as many as possible.

Nathaniel's Hope organization was established in 2002 in Orlando, Florida. For more information you can reach them at :

Organizations for the Betterment of Mental Health

Through their firsthand experience, Tim and Marie Kuck understand the physical, mental, emotional, and financial strains families face. This understanding compelled them to offer their services and support to the community.

Tim and Marie emphasize the five "F's" – faith, family, friends, finance, and fun – as the foundation of their mission. They recognize that while they had all five, many families only have a fraction of these supports. Therefore, the Kucks are dedicated to providing various avenues and activities for everyone they can reach. If you are interested in helping or participating in the Nathaniel's Hope community, you can follow them on Instagram for updates on their next events.

The Nathaniel's Hope family is a community service I intend to support through this newsletter and by sharing their mission as often as possible. Until next month, I appreciate all my supporters.
